## Villa Maria offers generous amenities at an affordable cost

Located in a 105-year-old historical site in Grand Rapids, Villa Maria Retirement Community, 1305 Walker NW, celebrates the individual senior adult through a personalized combination of affordable residential housing and supportive services designed to meet the specific needs of Grand Rapids seniors. The Villa Maria philosophy is one of choice—with residents encouraged to continue the activities of a lifetime in an environment of support and comfort. Villa Maria offers meal plans, activities and other amenities at more affordable rates in comparison to other retirement communities.

Enclosed courtyards provide a wonderful gathering spot for family and

friends. Villa Maria has three cozy dining rooms offering a variety of meal options that are catered to the individual resident, who also have the ability to prepare meals in their apartment if they prefer. Complimentary continental breakfast is offered daily in the coffee shoppe.

The dedicated staff of caring professionals offers as much support as necessary to provide each resident and their family with the confidence and security that comes with peace of mind.

To arrange a guided tour of our facility and discuss how Villa Maria Retirement Community can meet your individual needs, call 459-9701 or visit [www.thevillamaria.com](http://www.thevillamaria.com).
